AGREEMENT CONDITIONS

INITIAL

I have read Attachment A of this agreement and I agree that I will not place any of the prohibited or restricted materials in this container.

INITIAL

I agree that if any prohibited items are found in the container, the City of Durham may refuse to haul the container, or if hauled already, I understand that I will be held responsible for any and all costs incurred by the City to handle this waste. I also agree to pay any additional container rental fees incurred as a result of the City unloading prohibited materials from this container.

INITIAL

I agree that this container will only be filled to its capacity and no higher than the shortest side of the container. If any container is overloaded, the container will not be hauled and I will be responsible for off-loading or leveling the load in the container, plus additional container rental fees required while the container is leveled off.

INITIAL

I agree that this container will be easily accessed for the driver to deliver/pick-up on the scheduled delivery/pick-up date. No debris will be blocking access to this container. *A fee may be charged if the City is unable to service the container due to inaccessibility.*

INITIAL

I agree that if the container is damaged in any way, including but not limited to graffiti, wheel damage, or bent rails, I will be responsible for all repair costs.

INITIAL

I agree that container must be placed on a hard, level surface. The containers, even prior to containing debris, are heavy. The City will not accept liability for damage to the customer's premises including yard/landscaping caused by a container. The City reserves the right to make the final determination as to the placement of all roll-off containers.

INITIAL

I agree that if I request additional services, payment is due in advance of the additional service request date. If payment is not received in advance of the additional service request date, the container(s) will be removed as scheduled.

This Roll-Off Container Service Agreement must be fully executed and advance payment received by noon for next day delivery. Please allow at least one business day advanced notice to schedule a delivery, exchange, or removal. **Delivery and removal times are not guaranteed.** Container rentals start the day the container is delivered and end on the day the container is scheduled for pick-up.

I have read the agreement, terms and conditions, and accept and agree to them as evidenced by my initials above and signature below. If this is a business, I certify that I am authorized to sign on behalf of the business, and I and the business will each be jointly and individually responsible for all fees incurred under this agreement.
